

Ginger's Pet Rescue

**"I'll be the
best friend
you'll ever
have!"**

"MOLLY"

My name is Molly and I am 7 years old. I spent most of my life living in a trailer park and I never got to exercise, go to doggie parks and I never had a yard to play in. I was tied up my entire life. I am 40 lbs now.

My ears got bad infections and I lost all my hearing because my owner never took me to the vet. Even though I can not hear, I can do most anything that all other dogs can do.

I am spayed, have all my shots, housebroken, friendly, mellow, quiet and very loving. I get along with cats, dogs and kids too!

I promise I will love you unconditionally if you bring me home !!!

**This dog NEEDS to find a home very soon. This is URGENT!
PLEASE HELP ME AND SAVE THIS WONDERFUL DOG THAT DESERVES
A SECOND CHANCE IN LIFE! * Thanks, Ginger**
